

RESOLUTION

Resolve: The faculty shall have the right to drop students from class rosters who do not attend the first meeting of the class unless the student has contacted the instructor of the class in advance. Students unable to attend the first meeting and unable to inform the instructor of this in advance may be reinstated with the consent of the instructor. This policy will go into effect as soon as possible. The policy will be explicitly and prominently announced in the Schedule of Classes and other appropriate places.
