WELCOME TO THE SRJC PORTAL

The **ID Number** is a unique nine-digit identifier assigned to every person who registers for credit classes at SRJC or is employed at SRJC and will remain as that person's identifier for all future transactions including registration, adding or dropping classes, accessing course history, etc.

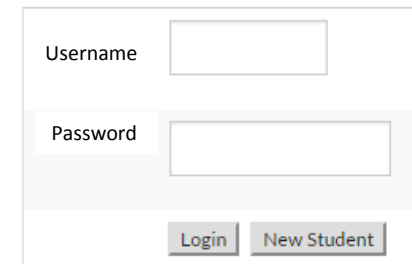

If you do not have an SRJC ID Number, then click the 'New Student' button to file an admissions application and be assigned an ID Number.

If you have forgotten your SRJC ID Number or your Pin Code, please do not file a new application. Instead, please use the links on the left and we will email you your ID Number and/or Pin Code.

Video Tutorials produced by the Admissions & Records Office are available to assist you if you have any questions.
