~~It shall be the policy of the Sonoma County Junior College District to maintain policies and procedures of probation and dismissal to ensure that State-mandated standards are observed.~~

The Sonoma County Junior College District requires that all students at Santa Rosa Junior College make satisfactory progress through their course of study. The Counseling Department and the Admissions, Records, and Enrollment Development Department will monitor that progress. The District will maintain and apply fair and equitable procedures to determine probationary status, dismissal (if necessary), readmission, and renewal, in accordance with statewide standards.
