

Information for Senators regarding revisions suggested at 5/1/2019 Senate Meeting:

- Include Title 5 definition of diversity in the job postings
- Include a specific word count for responses (500-750?)
- Revise the current process to have the prompt in the NEOGOV application to ask if (yes/no) the applicant has attached a response to the prompt with their online application
- Revise the prompt as follows, based upon suggestions made at the 5/1/19 Senate meeting (marked up and clean copy follow below):

Please ~~reflect on~~ provide two or three examples of your ~~how you have or would~~ ideas and/or experiences in create(ing), modify(ing), and/or perform(ing) one or more of the following to meet the needs of a diverse student population:

- Life Experience
- Curricula;
- Learning activities;
- Teaching/counseling practices;
- Educational Resources
- Training, background, coursework and/or professional development
- Program Development

Clean copy of the above (I have taken “Life Experiences” off the list, seems like it is implied in the prompt preceding it and reads awkwardly):
