**Class Size and Waitlist Task Force Senate  
Presentation**

# Can a student be on conflicting wait lists (more than one section of the same course)?

- A. Yes. They may be on multiple wait lists for different sections of the same course. OR....
- B. No. They may not be on multiple wait lists for different sections of the same course. OR....
- C. Yes. They may be on multiple wait lists for different sections of the same course. AND Departments with courses that are in high demand that typically close during priority one and two may be granted the ability to restrict the number of waitlists students can be on for these courses to allow for the maximum number of students to get on a waitlist.

# Under what conditions should courses not have to have a waitlist?

- A. Course section is a part of a cohort-based program.
- B. Course in a non-credit course; due to the open entry, open exit nature of the course it does not require a waitlist.
- C. ?????????????????????????????????
