What we have resolved to this year to date in collaboration with the District:

- Outside faculty participation as a member of screening and interviewing committees
 - May be included as a member
 - May be voting or non-voting
- Student participation
 - Mandatory student member of SICs
 - May be voting or non voting
 - Mandatory student interaction demonstrations with student feedback
 - Student interaction demonstrations will be designed to provide an equitable experience when possible
- Reference checks
 - Revised the language to be more broad regarding who and how the reference checks are completed to allow for changes in technology, best practices, etc. over time
