BACKGROUND

The Office of Institutional Effectiveness, Research and Planning (IERP) provides the District with data (internal and external), institutional research analysis, program evaluation, reporting and grant support.

IERP is also responsible for the development of assessment and reporting tools in support of Student Learning Outcomes, Program Learning Outcomes, Institutional Learning Outcomes, Service Area Outcomes, and Institutional Set Standards.

IERP serves as the primary resource for all District data needs for institutional effectiveness, research, grants, and planning.

DEMOGRAPHICS

2025–26 Student Ethnicity & Identity

Explores how SRJC students identify across racial and ethnic groups and how those identities are represented under different reporting methods.

The dashboard compares traditional unduplicated reporting with expanded ethnicity data, including the identities of students classified as Multi-Ethnicity.

It also provides detailed ethnicity information within each aggregate group, offering a more complete view of the racial and ethnic identities represented among SRJC students.

Current CCCCO unduplicated reporting

Unduplicated population: 29,852 · Total representation: 100%

- Each student is represented once in a single reporting category.
- Hispanic/Latino identification takes precedence over other racial/ethnic identities under the current reporting methodology.
- Students with multiple non-Hispanic racial identities are reported as Multi Ethnicity.
- This methodology supports CCCCO reporting and federal IPEDS race/ethnicity reporting conventions.

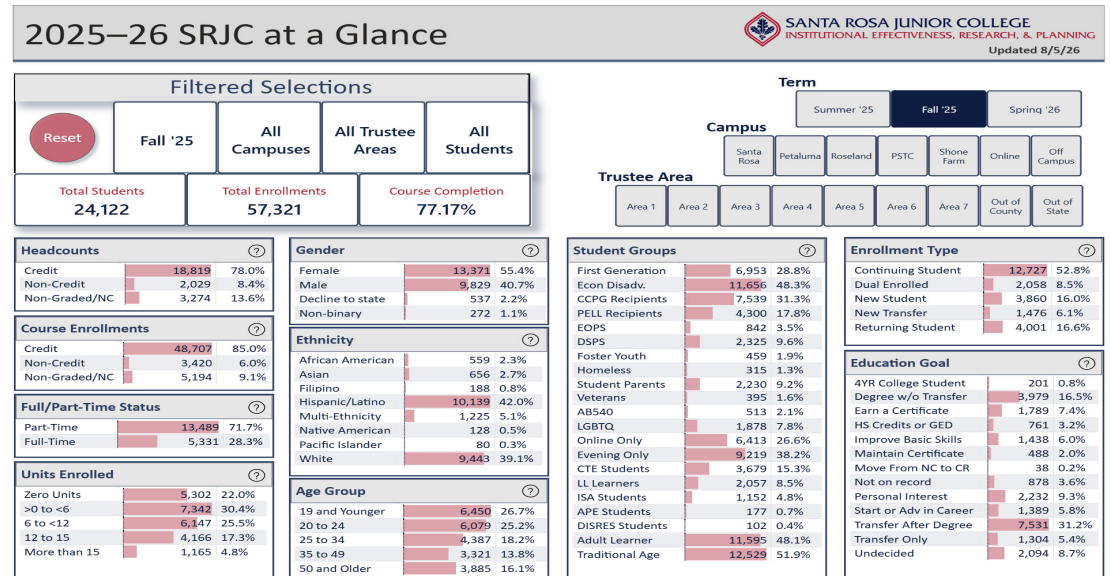

DEMOGRAPHICS

SRJC At a Glance Dashboard

Provides an interactive snapshot of SRJC students and enrollments by term.

The dashboard includes student demographics, enrollment characteristics, education goals, student groups, course enrollments, and course completion.

Users can filter by term, campus, Trustee Area, and student characteristics to explore and compare populations across the district.

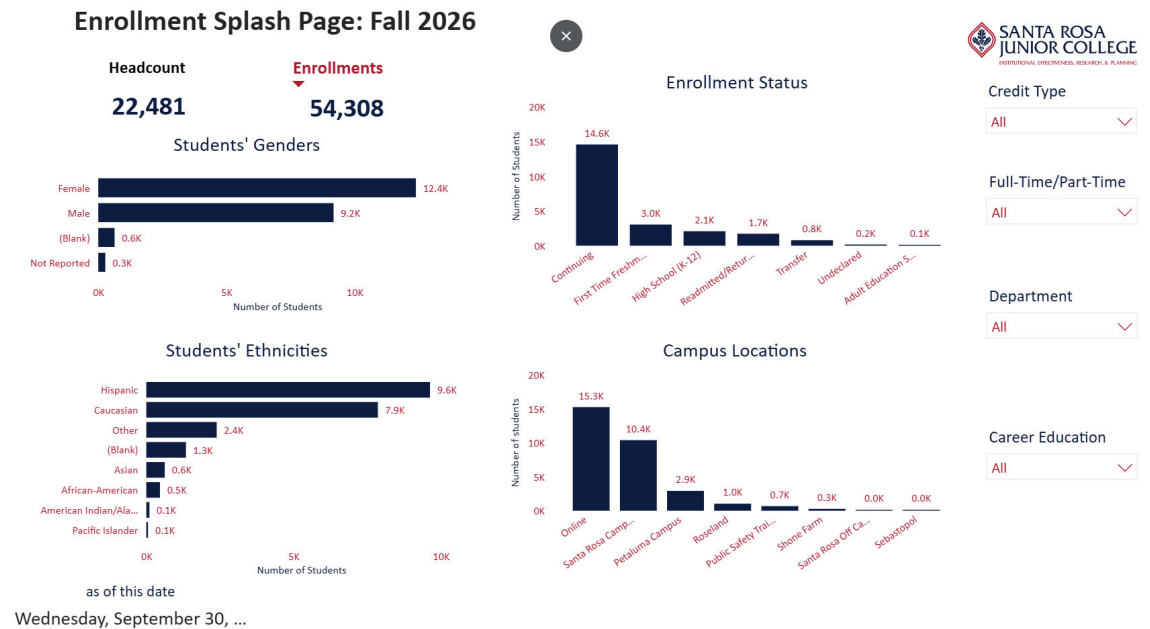

ENROLLMENT

Fall 2026 Enrollment Splash Page

Provides up to date headcount and course enrollment.

Data is disaggregated by student type, location, and other student demographics.

PROGRAM AWARDS

Degrees and Certificates

Page 1: Annual counts of degrees and certificates earned across the college, broken out by department. Users can view the duplicated counts (total awards earned) as well as counts unduplicated by students (total awardees).

Page 2: Same data as Page 1, presented in tabular format.

Page 3: Annual total degrees and certificates earned, searchable by program.
