

Academic Senate Update on Guided Pathways / 30 April 2023

by John Stover, GP Liaison to ASEC, Executive Secretary.

Summary Overview Spring 2023.

Highlights included, but are not limited to, the following:

- Guided Pathways (GP) Organizational Structure Task Force Recommendations Report (*see report for full details*) completed and submitted to Dr. Chong (6-7 March 2023).
 - Report completed by Taskforce Members in February 2023 and including SRJC feedback at Spring PDA Day ([see workgroup meeting materials for more detail](#)).
 - Report being forwarded from outgoing to incoming President/Superintendent in the meanwhile.
- Work continues with Guided Pathways projects as previously approved by the Academic Senate, including but not limited to:
 - The integration of SRJC Connect with Academic Support Backpack Resources;
 - The integration of SRJC Connect/Backpack resources within the emerging framework of the iFactory web-redesign proposal; and,
 - The updating of program maps in the curriculum office as reflective of GP values and ideations.
