

Survey on Senate - Union Consultation Processes

This eight question survey was designed and is being conducted on behalf of the President of the Academic Senate and as part of the Academic Senate Executive Committee (ASEC) at Santa Rosa Junior College (SRJC). We hope to learn from your best practices in support of the purviews of Academic Senates and local Faculty Unions, and develop best practices that support healthy, collaborative relationships between the two.

Your responses to this confidential, ten minute survey will help us protect the respective roles of both our local Faculty Union and Academic Senate at SRJC. ***Specifically, in Title 5 Ed Code where it states the bargaining agent consults senate prior to engaging in bargaining in the following areas (non-exhaustive)...***

...Faculty evaluations – Ed Code § 87663

...Tenure – Ed Code § 87610.1

...How does your senate discuss items of overlap with the union while respecting each other's purview? Examples include joining the California Virtual College (CVC); establishing a CVC Peer Online Course Review (POCR); Faculty Evaluations; and Tenure Review.

Please respond within seven days – by Tuesday, November 14th -- and if you have any questions regarding the survey or our inquiry, please email directly at jstover@santarosa.edu and tjacobson@santarosa.edu.

Thank you for your help and best of success ahead from the Academic Senate Executive Committee: Nancy Persons, President; John Stover, President-Elect; Monica Ohkubo, Vice President; Laura Aspinall, Executive Secretary; Smita Avanti, Equity Representative; Aylin Baris Atilgan Relyea, Associate Representative; Tara Jacobson, At-Large Representative.
