

# **Student Success Program Integration**

## **Student Success Steering Committee/Implementation Teams**

# Our Task

- Integrate BSI into Student Success and Equity Committee (SSSP, Non-Credit SSSP, SEP, and BSI will retain separate requirements per Ed Code and Title 5)
- Establish integrated student success goals and develop a plan to increase student success rates and close achievement gaps for 2017-19
- Change structure from Presidential Advisory Committee to Standing Committee
- Coordinate with Institutional Planning to align our goals

# Student Success Steering Committee

- **Committee Function:**
- The mission of the Student Success Steering Committee is to advance equitable student access, success, and completion at Santa Rosa Junior College.
- Provide a platform for collaboration and communication across the District that results in the integration of student success efforts including, but not limited to, Student Success and Support Program, Student Equity Program, and Basic Skills Initiative.

# Student Success Implementation Teams

- Implementation teams should be led by at least two members from the steering committee. The primary functions of each Implementation Team are:
  - Identify and evaluate projects in their focus area aimed at addressing disproportionate impact as indicated through local campus research data.
  - Support the development and monitoring of institutional and equity related goals related to their focus area.
  - Facilitate between the Student Success Steering Committee and student success projects.

Implementation Teams:
