

The following order presents each workgroup's first recommendation, in workgroup order determined by the workgroups (Website Redesign, Mapping & Scheduling, Academic Supports, Introduction to College) followed by each workgroup's second recommendation, in workgroup order.

**Website Redesign recommendation 1:** Recruitment→ Retention→ Success: Student-Focused SRJC Homepage Redesign (Phase One)

**Mapping and Scheduling recommendation 1:** Clear, Accessible Program Mapping with Aligned Course Sequences

**Academic Support recommendation 1:** Recommendation One: Establish a Systematic, Integrative, All Access Approach to Academic Support Systems at SRJC.

**Intro to College recommendation 1:** Create a Comprehensive 'First Year Experience' (FYE) Program Through the Intentional Integration of Existing SRJC Services and Programs

**Website Redesign recommendation 2:** Building Out Transformation: Improved Website Usability For All (Phase Two)

**Mapping and Scheduling recommendation 2:** Dynamic Scheduling Changes that Support Students and the College

**Academic Support recommendation 2:** Recommendation Two: Establish the SRJC Academic Support Backpack Initiative

**Intro to College recommendation 2:** Create an Interdisciplinary-taught FYE Course Combining Academic Discovery, Introductory College Skills, and Community Engagement
