00:29:43 Whyllly: Hi Terry!

00:31:12 Whyllly: yaas

00:31:49 Anne Donegan: IF you want to get in the queue for open comments, or part of the discussion, please put a comment here or raise your hand and I will keep the list going.

00:44:39 Jeanette Ben Farhat: i've found the one-on-one support from DE experts very helpful.

00:53:51 laurennahas: I'd like to say something Anne.

00:56:21 laurennahas: And here is the link to those workshops and 1-on-1 appointment in case anyone isn't already aware of them:

01:10:47 April Oliver: I have a question

01:11:07 Anne Donegan: Thanks to AFA and the District for working so hard on the MOU. Great work.

01:11:28 John Stover: i have a question

01:11:35 Anne Donegan: DCC Chairs have also done a great job keeping Department Chairs in the loop!

01:12:34 David Lemmer: There is a "raise hand" function. Is anyone managing the conference for this?

01:12:49 ccrawford@santarosa.edu: What is Academic Senate advising for Consultation Committees - Conduct business, or not to conduct business?

01:13:00 Anne Donegan: I can't see that while I am sharing the page. Can you just let me know here in the chat?

01:18:17 Anne Donegan: The FAQs just for faculty have a lot of info that was consolidated. WE sent that out on Monday.

01:20:43 Sean Martin: Faculty FAQs can be found here: <https://pr.santarosa.edu/faqs-faculty>

01:21:18 April Oliver: Could the committee question be better clarified so that:

01:21:24 Whylly: I'd like to speak.

01:21:37 April Oliver: 1) members have the opportunity to decide if they can still be a part of the committee in a timely manner before the first scheduled meeting
2) if participants outside of the committee are part of the agenda, that they are informed in a timely manner and are given the opportunity to reschedule at a later date
3) committees considers flexibility when deciding when to begin committee meetings

01:22:46 David Lemmer: No need ever to apologize for the the young-uns!

01:22:53 ccrawford@santarosa.edu: Thanks April.

01:23:00 Michael Aparicio: I an speak to it

01:27:31 April Oliver: I'm not in the queue- thanks, Anne. I was just following up with my comment about committees.

01:28:17 laurennahas: It does help Michael, Thank you.

01:29:13 laurennahas: So sorry Sarah!

01:30:10 Jennifer Carlin-Goldberg: Password protecting the zoom meetings stops people from accessing the meetings and you can also set the zoom meeting to where only the host can share their screen. I can speak to that if you like.

01:30:32 Sean Martin: May I chime in?

01:33:35 laurennahas: There was a link to an article about conservative students groups on college campuses, and I wasn't sure why that was here.

01:36:09 Therese Ehret: The first "Whereas" clause is confusing to me. I wonder if the punctuation could be simpler?

01:36:12 John Stover: I'd like to say something

01:36:50 Sean Martin: Policy 8.2.8 C and D identifies, as an ACT OF MISCONDUCT:
"C. Use of any electronic listening or recording device in any classroom without the prior consent of the instructor, except as necessary to provide reasonable auxiliary aids and academic accommodations to a student with a disability.

D. Making a video recording, audio recording, taking photographs, or streaming audio/video of any person in a location where the person has a reasonable expectation of privacy, without that person's knowledge and express consent."

01:37:40 ccrawford@santarosa.edu: The second resolved contains the word fatally. Is there a better way to describe the situation. RE: fatally compromised quality

01:41:58 Whyly: Can I speak after Jon?

01:45:06 Tara Jacobson: just take out fatally and leave compromised

01:45:20 laurennahas: How about "profoundly affected"

01:46:08 John Stover: i'm okay. thank you. i've said enough today.

01:47:44 Michael Aparicio: May I speak?

01:51:56 Tara Jacobson: I offered an edit by chat but don't need to speak

01:59:42 Jennifer Carlin-Goldberg: I can go, if you like

01:59:51 Nora Wheeler: sure thanks

01:59:57 Anne Donegan: Ok, jenn, you are next.

02:01:44 Therese Ehret: I have some concerns for adjuncts going forward

02:05:48 Jennifer Carlin-Goldberg: I have a student who tells me that he his stuck in his home country and can't get back here.

02:09:08 ccrawford@santarosa.edu: Canon for quick library services comment
<https://libguides.santarosa.edu/RemoteAccess>

02:12:12 marc: Excellent point on class size, Terry! Thank you.

02:13:58 Monica Ohkubo: Another positive in this process is that many forms and systems that needed to go paperless and remote, are doing so very quickly. Hopefully the district will be greener after this, and this will be a "forced" jumpstart for these processes to go paperless and remote.

02:14:25 Tara Jacobson: Agreed Monica! Also, remote meetings keeps people off the roads.

02:14:51 PB: Cengage is offering free online resources for students and instructors.

02:16:38 Monica Ohkubo: (Along with my comment- I'm finding daily that a better district document signing program is needed, a policy and making this known to all with proper training would be awesome :))

02:17:11 Tara Jacobson: DocuSign! yes

02:17:12 April Oliver: Many of my students have lost their jobs are they have greatly increased hours, so their schedules may have changed. Flexibility is key, in my opinion.

02:17:25 Tara Jacobson: I agree, April.

02:17:41 Jennifer Carlin-Goldberg: I agree with April as well.

02:19:09 PB: I didn't know that, Eric!

02:21:32 Jennifer Carlin-Goldberg: Really happy to see you all!!!

02:21:41 PB: Group hug . . .

02:21:43 Andrea Thomas: Take care and stay safe, everyone!

02:21:57 Whyly: Thank you!!

02:22:08 laurenahas: Thanks for all your work people!

02:22:49 Karen Frindell Teuscher: bye!!!
